

# MINI Elite XS

**Hotek**  
HOSPITALITY & TECHNOLOGY

## What are you locking for?

# How does it work?

The Hotek MINI Elite XS lock is a practically invisible and stylish hotel lock. The unique design combines functionality with aesthetics and makes it ideal for design hotels, for example.

The MINI Elite XS RFID system works in combination with the Hotek SMART software and offers advanced access control possibilities for hotels, resorts and cruise ships.

The MINI Elite XS lock is Your Mobile Key ready. Upgrade to a future-proof cloud-based mobile key hotel lock and open the door from any smartphone (without app download).

option: Yourmobile Key©
