Meet YourMobileKey

The key to your hotel rooms and guests

YourMobile Key

HOTEK®

key player in **hospitality**

What is YourMobileKey?

YourMobileKey enables guests to open their hotel room with their mobile phone and gives you an extra form of communication. This way you are not only fulfilling the hygiene needs of guests, but you also give yourself an extra point of contact to inform your guest with relevant information through the webapp or even to create an upsell by communicating new promotions.
