MINI DESIGN

**Small, stylish and ingenious,
with the technology of the
future.**

The Hotek Mini Design hotelslot combine functionality with aesthetics. You have a wide range of 4 modern designs in stainless steel, brass, black, and anthracite colors. Finally, a lock that offers more than the standard hotel lock.

ABOUT MINI DESIGN

The Hotek Mini Design combines modern access control with the freedom to choose your Hotek door fittings. You can choose from 4 design models, in stainless steel, brass PVD, black and anthracite PVD.

The appearance of your hotel is no longer determined by standard hotel locks. Apply your chosen door fittings to the doors of your hotel room, bathroom and any other door in your hotel.

The contactless RFID system works in combination with the Hotek SMART software and offers advanced access control possibilities for hotels, resorts and cruise ships.

Hotek Mini locks are Your Mobile Key© ready, a Cloud Low Energy chip (CLE ©) can easily be installed in the RFID lock, creating a mobile key solution with an online cloud connection that enables access control from anywhere in the world.
